

# Soltice<sup>®</sup> Metal

## Multiple Seating

modern design | durable strength | versatile configurations

Furnishing Knowledge<sup>®</sup>

## Redefine modern with Soltice Metal.

Soltice Metal multiple seating offers modern appeal. Its simple design allows for true versatility in specification and application. With unlimited design options and extreme flexibility in reconfiguration, Soltice Metal multiple seating creates refreshingly modern environments.

Choose from open or closed arms in 1-, 2- or 3-seat units, 3-seat spanner unit, bariatric, loveseat or add-on units. Connecting tables available in middle, end, 45° or 90° options. Arm caps are available in poly (black, warm grey, sand), wood (standard and custom stains), and solid surface (Corian glacier white). The metal frame is available in 23 standard powdercoats. Non-marring floor glides are available in flannel or natural nylon.

Soltice Metal multiple seating is available in contrasting fabrics from a variety of high-performance textiles, including Pallas® Textiles, KI ingrades, or COM. Lifetime warranty is standard.

The Soltice Metal collection also includes lounge seating, patient seating, and occasional tables.

*Designed by Paul James.*

### Features

Seat and arm height is designed for ease of ingress and egress.

Durable metal frame supports a clean aesthetic. Wallsaver legs are standard.

Clean-out space is standard.
